CLASS OF '86 PRESENTS A YEAR IN REVIEW

BERGEN CATHOLIC H.S.
1040 Oradell Avenue
Oradell, New Jersey

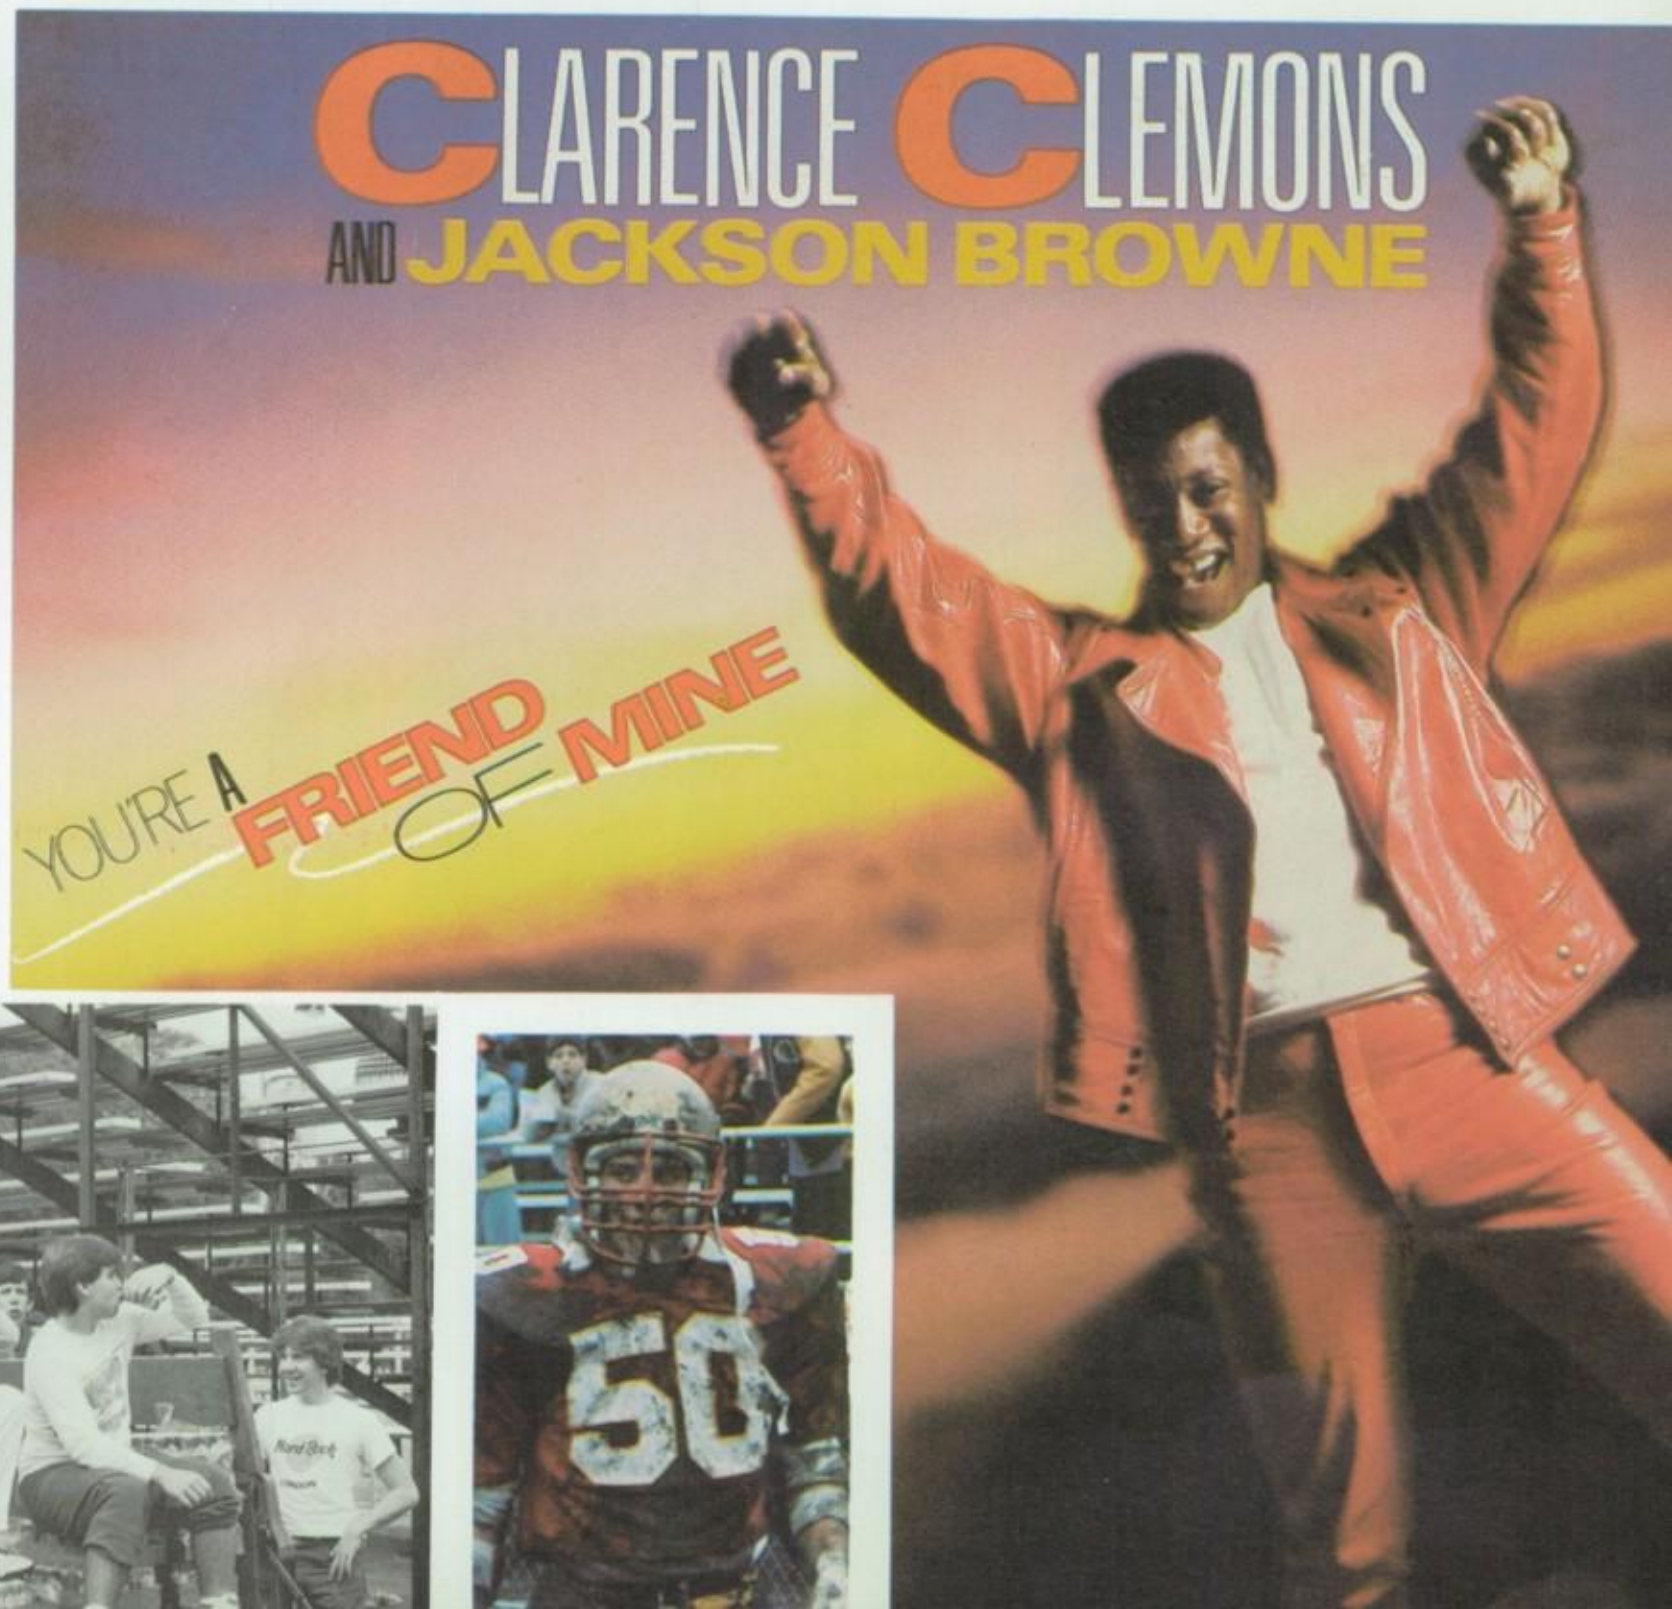

To many, music is simply a group of vocal and instrumental sounds that are pleasing to one's sense of hearing. Actually, it is a form of art that has persevered through the centuries being used to reflect an era's attitudes and feelings towards political and social issues of that time. Most important of all, music is able to arouse faint memories of past experiences. Many years from now when hearing what we will consider an old song, we may remember the friends we were with and the fun times which we were experiencing when that certain song was popular. Hold onto and cherish those memories, but do not be afraid of losing them, for once again when listening to music can we easily bring them back. Like old songs, use this yearbook to look back on those carefree times. Remember not to live in the past, for just as music styles are always changing, so are we.

BR. JAMES E. ROEPKE

Truly living with a Christian attitude in everything he does is Brother James Roepke. Born and raised in the Manhattan borough of New York City, he attended the recently closed Power Memorial Academy and finished his secondary school education along with his preparation to enter the brotherhood at St. Joseph's Juniorate. After earning his undergraduate degree in Biology at Iona College, Br. Roepke later went on to complete masters degrees in Biology and Psychology at St. John's University and Catholic University, respectively. Previous to becoming principal here at Bergen Catholic, Brother held the same position from 1968 to 1974 at All Hallows Institute and from 1975 to 1980 at Bishop Gibbons High School.

Admiration and respect for his teachers is what attracted Brother Roepke to the religious life, and this same relation, he believes, has been preserved between the faculty and students of Bergen Catholic. This fact is reflected in the strong school spirit which exists at Bergen. According to Brother, Bergen is a place where one can learn in a strong Christian atmosphere. As long as Bergen maintains these influences, it will be successful.

Brother Roepke himself has contributed to this cause by making necessary changes in order to strengthen our school's curriculum and supervising the needed improvements of Bergen's facilities. Most notable of these improvements is the construction of the Brother Edmund Rice facilities. Most notable of these improvements is the construction of the Brother Edmund Rice Memorial Library which was directed and planned under the auspices of Brother Roepke. "Always expect to be the best" Brother said, for according to him if we do not have expectations of ourselves we will not fulfill our true potential. These words are definitely reflected in the life and actions of Brother. Therefore, the faculty and students wish to dedicate this edition of the *CRUSADER* to Brother James Roepke for his past six years of unselfish service and devotion as principal of our school. We know that we need not expect the best from you Brother, for you are the best.

VARSITY FOOTBALL

Q.B. Mike McGovern on target.

The Crusaders encountered many hardships throughout their season but overcame the majority of them in order to give many good memories from a very productive season.

The first two games were each delayed 24 hours due to hurricanes and things of that nature. In the season opener, Jamie McBride threw a touchdown pass to Mike Rios as the Crusaders came from behind to beat Bloomfield. Sean Kelly kicked a last second field goal in our home opener to defeat Belleville 3-0. Paramus was next on the Crusaders hit list holding a 13-3 lead at the half. The poised gridgers fought back and were victorious as tight-end, Joe Haemmerle, scored and tail-back, Denis McPartland, ran behind the surge to pay dirt. B.C. was undefeated but still had many problems as it faced the "Paladins" of Paramus Catholic. McPartland lead Bergen with two touchdowns and the team was 4-0. St. Joe's and Ridgewood handed Bergen its first two losses of the year but the team still had one goal in mind - to earn a birth in the state playoffs. Bergen achieved this goal impressively as it defeated Teaneck by 28 and shut out the Hackensack "Comets".

Although the season ended on a somewhat sour note, many players earned post season honors. We had nine all-leaguers - Tom Kearney, Charlie Vinci, Joe Haemmerle, Denis McPartland, Bob Stokes, Tom Whelan, Tom Mulroe, Kevin Twomey, and Kelly. Seven of these players also attained All-Suburban status. Two players, Kearney and Vinci, who averaged 32 yards per kick and had a long of 51 yards, were named to an All-State Team.

Team readys for the perfect kickoff.

The freshmen football team recorded a fine 6-2-1 mark this season. Under the guidance of coaches Ken Smith, Rich Quaglino, Mike Conway, Joe Kujawa, and Luke Guglielmo, the team matured and earned the respect of other teams in the league. After early setbacks, Bergen came back with vengeance in defeating Bloomfield in their first game 9-0 on Erik Scott's 26 yard TD catch. Against Belleville, the Crusaders rallied behind Dan Delaney's 60 yard TD run to win 7-0. Bergen then went on to record two more wins by shutouts over Paramus 7-0 and Paramus Catholic 8-0 on fine defensive plays from John Kwak, Chris Vialonga, Eamonn Twomey and Mike Emr. However, in weeks five and six, B.C. lost to St. Joe's 26-6 despite Bob Zampieri's 40 yard TD reception and lost to Ridgewood 21-19 in a heart breaker which saw outstanding performances by Jimm Referente, Curt Geisler, Matt Certo, and Mike Emr. Once again B.C. rebounded as they punished Teaneck 14-6 which saw defensive performances put out by Sean O'Brien, Grady Henert, and linebacker Scott Dennis. Also, it showed a passing attack in which fantastic catches were made by Evan Slamka, Ed O'Reilly, and John Birnie. Playing in a snowstorm against Hackensack, Curt Geisler scored the lone TD in a 7-0 victory. In the finale against Don Bosco, B.C. was held to a standoff in 0-0 tie where both defenses dominated the game. Curt Geisler was named Most Valuable Player of the freshmen squad and B.C. will be a force to reckon with in the future.

Well, well, well . . . its been 9 years.

G.O.D.

The heat of August blended into September, and with it came the annual ritual of tryouts for Bergen's Varsity Soccer Team. This year was to be different from all other years. Hot on the heels of a record breaking season last year, this year's team was faced with the task of holding on to the reputation that had been previously implanted in the State and County soccer circles.

At first, things looked like this season would be a long one. Scrimmages prior to the opening game of the year left Coach Beattie and Assistant Coach Bisbano in a state of "concern". However, they knew the potential was there . . . somewhere.

As the season opened, the year looked even bleaker with lead scorer Chris Unger on the injured list. Suddenly, things began to click. The team realized that they had potential and subsequently lost titles in the final and semi final rounds. This was the last years for these senior players to make their mark on the soccer community. And they did!!!!!!

In the county tournament Bergen ranked #6 easily defeating Leonia. Then won a come from behind victory over the surprising Pascack Hills soccer team. Then faced last years county champs Indian Hills and revenge last year's semi-final loss with a 4-1 victory. For the first time B.C. was in the county final.

It was on a beautiful fall day at Bergen Community College that history was made. For the first time ever B.C. had won the County Championship by defeating highly favored Ramapo, 1-0. A dream had come true not only for Coach Beattie, but for every soccer player who had ever worn a B.C. uniform.

Next was the Parochial State Tournament. B.C. faced an underestimated Union Catholic, and found itself down 2-0 with six minutes left to play. Once again that amazing will to win took over and B.C. scored twice to tie the game and eventually win 4-2 in overtime. The scene was set for the final against last years champions Don Bosco. After a hard fight 1-1 tie, B.C. defeated Don Bosco in a nerve racking shoot out. History was made once again.

Friendship and brotherhood were the rewards that superceeded our County and State Titles. Athletic titles are won and lost each year, but friendship and brotherhood are something that once won, are never lost. Yes, our soccer team were County and State Champions, but more importantly they are friends and brothers for life. It was a very successful year . . . Well, Well, Well!

Switch it to the left.

A face only a mother could love.

As in the tradition of B.C. athletic programs, the 1985 soccer campaign was a successful one. The team compiled a respectable record of 11-3. The team was ably lead by coach Mr. Victor Herrera. Its backbone consisted of a strong line-up of Juniors that was well supplemented by eager and talented sophomores. A tenacious defense repeatedly thwarted opponents of goals and fed balls to a strong mid-fielding corp, headed by captains Bill Burns, Dean Bisbano, and Paul Gallagher. The mid-field in turn was able to provide potent strikers Drew Deraney, Scott Sammut, and tough Wayne Mazella with dangerous passes. The team can look back with pride over their season and enjoy their well earned rest.

This year's X-country team turned in another championship season, going undefeated in its dual meet schedule, and winning both the NNJIL and County titles. The team was led by seniors Doug Palmadessa, Keith Conway, and John Murphy. It also received strong performances from seniors Marty Cummins and Chris Hubbard, juniors Dennis Kennedy and Chris Sonzogni, and sophomores Jim O'Brien, James Sullivan, and John Sullivan.

The highlight of the season was a twelve point victory over arch-rival Ridgewood in the County Meet of Champions only a week after losing badly to them in the Group 4 final. The team advanced to the State Group Finals, and although it was eliminated, both Palmadessa and Murphy qualified as individuals for the State Meet of Champions.

This year's Bergen Catholic basketball team returned 3 starters and was being touted as one of the county's best teams early in the season. The team, led by Matt O'Reilly, Mark Casey, Pete Campbell, Paul Horton, and Jerry Doyle, did not disappoint anyone as they finished with a 23-4 record and won the Bergen County Jamboree for the first time since 1977. The Jamboree Championship was a fitting climax to one of the most successful seasons in Coach Donfield's career. The team tied a school record by winning 23 games. Congratulations must be given out

to Matt O'Reilly who set the school record for most career assists and also to Coach Donfield who tallied his 350th career win against Teaneck early in the season.

However, the most important aspect of the 1985-86 season was that everything was truly a team effort, and the team proved goals can be reached through hard work.

Dean Bisbano shows great form on his foul line jump shot.

Tom wraps pass around defender.

Br. Jensen prepares his troops for battle.

Jeff rises to the occasion.

Cagney releases for 2.

Joe Davi flies through for 2.

Chris shows his range on the jumper.

Drew Morano pulls up for a short jumper.

Anthony Barnes comes on strong.

The Campus Ministry works towards making the students better Christians. The retreats, arranged for all classes, are designed to initiate each grade into a new level in their lives as Christians and to help them to see that each level can be begun and partially fulfilled through B.C. A central part of the education at Bergen, the Campus Ministry is a success not only through the hard effort of Fr. Adrian, but also through the dedicated work of the student volunteers who give their time to talk to freshmen and sophomores on retreats.

With the close of the school year comes another edition of the *Crusader*. For the Senior class it signifies the completion, while for the other students it marks the beginning or continuance of hard working, yet fun and memorable, years at Bergen Catholic. While looking back at these times we should not try to relive them, for we are and ever shall be Bergen Catholic.
